Uqalimaariuqsaniq | Level 8

Uqalimaariuqsaniq is an Inuktitut reading program developed in Nunavut. This program is based on language-acquisition research from around the world. Uqalimaariuqsaniq is a sequential and progressive Inuktitut reading program that supports students in their development from emergent to fluent readers.

Book details

Level: **8**

Text type: **Non-fiction**

Subject: **Arctic animals**

Summary: This book reviews basic facts about animals in Nunavut, including where they live and what they need to survive.
